In Mississauga

Return to Play - Team Managers

Return to Play (RTP), This protocol is developed so our athletes & staff can safely return to the pitch, following the pandemic. This is safety precautions ISC would like to maintain on an ongoing basis. Please ensure that the following guidelines are being implemented for practices and games:

- All Members must Always wear Masks.
- Please ensure that all parents must sign the [Ontario Soccer Covid-19 waiver of liability](#). Please ask them to print and sign to deliver to you to drop at the drop box at the office prior to start of the sessions – no exceptions.
- Complete [Ontario COVID-19 Self-Assessment](#) prior to attending each session.
- Please ensure staggered arrivals & departures of players must be done at parking lot
- If you suspect any player or parent experiencing any symptoms of illness (fever, coughing, sneezing) you must ask the appropriate screening questions and if confirmed to any of the above, you must ask the individual to be isolated from the rest of the crowd and until she or he is send home & please report to Club
- Please ensure all players entering the field must disinfect their hands.
- Please ensure that all parents around the field must use Masks
- Please ensure that all players must arrive to the field with their own soccer ball and their own hand sanitizers name tagged and additional white practice Tshirt. No Handshake
- Managers must have a bag of first aid
- Ensure players' equipment bag must be disinfected by players & maintained in the appropriate area
- Make sure players equipment is socially distanced and during breaks all protocols are still followed
- Must remind parents to stay in Parking area; Parent Zone. Coaches on Field; Coach Zone & Manager in Manager Zone. All separate from each other.
