Vacation Credit: Players who are travelling and unable to participate in club activities for four (4) consecutive weeks or longer may be eligible for a prorated credit towards their current annual program fees. Written notice and players' proof of travel must be provided to the club in advance. Club credit applies only to the period of absence and excludes registration, administrative, and uniform fees. All requests are subject to club review and approval in accordance with club policies. (Credit can be applied in the form of partial refund or discount towards upcoming programs/seasons). Please note the 4 or more consecutive weeks of vacation should not be a part of the annual club shut down weeks (Christmas Holiday, First week of January, March Break, July long weekend week, August long weekend week).

Credit Notes: Credit notes are only valid for One (1) Year and may be applied to the registration fee for any program offered by the Club.

Ontario Soccer: All players, coaches, managers, Club directors, or match officials who register with the International Soccer Club are registered with Ontario Soccer through its third party IT service provider, SportsEngine, on a registration system platform called Oscar.

Player Profile: Registration information that is provided to SportsEngine in the Oscar registration system may be accessed and updated directly by each registrant.

OSA Insurance: Players, Coaches, Managers, other Team Officials and Match Officials must be registered with Ontario Soccer on the Oscar registration system to be insured by Ontario Soccer's insurer in connection with any potential personal injury that may occur when participating in any sanctioned soccer activity.
